ABOUT OGIA

The Oklahoma Gang Investigators Association (OGIA) began in 1993 and is an organization comprised of law enforcement professionals from throughout the State of Oklahoma whose mission is to fight gang violence in their communities. One of the ways in which OGIA can assist these officers is by hosting annual training conferences. Experts in the field of gang activity are brought in from throughout the country to share their knowledge and experience with our members. The information provided to our members through the annual conference is passed on to the citizens of their communities in a variety of ways. Our members speak at community groups and schools, meet with parents and school officials, and compile a handout that is given free-of-charge to these groups.

OGIA has sponsored conferences for educators and school administrators, and hosted one-day conferences for both law enforcement and concerned citizens throughout the year.

Additionally, OGIA maintains a “Fallen Officers Fund”, which is an emergency fund that is available in the tragic instance that any Law Enforcement Officer in the state might lose his/her life in the line of duty. OGIA immediately provides the family of these heroic officers with \$1,000 dollars. Since 2003, OGIA has paid out over \$20,000 dollars to Fallen Officers’ families.
